### **Wicked Weed Pernicious IPA**

Brewer's notes: Pernicious implies influence that is harmful in a way not easily noticed. This beer is harmful, not because of overwhelming hop bitterness, but because its balanced brightness insidiously ruins your expectations for all other IPAs. This hop delivery vehicle is crafted to enjoy fresh and often and because of its drinkability and clean finish you'll never look at IPAs the same again. The harm is done. 7.3%ABV
